

SOMEWAY OF PREVIOUS EVENTS UNTIL VICEWIE 2

A school rurse called Kaoru and a problem child called Mikoto. Ever since their fortaitous meeting they've been attracted to each other While maintaining a normal distance for a student teacher relationship.

their feelings for each other mutually grew. Finally at the graduation coremony, they confessed to each other

and became lovers, but ...

Not to meet you and help in Aids It took more than a year tince the Dublication of volume seven To the beable who experts several for full of "Some his made you wint" feeling. The year I released extra volumes and completions, I really feel like I dark get any time for e. One year is really sometive that desses in the blok of an eye. This year, the storykoard of the mares kept charging and chareins a surred out to be a contribute different trans from what was priently Stavess Ordinally I wanted the estim volume to have a remarks compare south the tipe severals has then I throught of the mand flow and a surrey like the I habe voice expets) for the continues on The is already the politic values and uptus tassed the dust year inviversity of the senes I thought I would finsh this senes in 20K. had I short from white you group u.O. I will but you have have a whose one I actually want to draw what's happened in the onth volume . I nearly ready want to go of I am not exaggerating by saying that I grow tid contribute of the series after tid graviation recommy use for volume ninth. The story is gone to continue for a linfe bir more. I would be glad of you keep attentively weading Miloto and Reory's story Thank you for newwy the ANN

Starting from January 20k, one of my work will be sensioned in a magazinet The role of the a fluids and less a the craft." As you can super, it's a sag-manta it's from the full dirty side of Alichi That work is your different from my Douglish arriving

but if you'd fancy in Steams rake a box. Thoras for unic support
